YOUR SCULPTURE TRAIL PRIZE – on completion of the trail.

You can hand in your completed trail map into any of the above venues to receive a prize which just keeps on giving (to wildlife). Collect a pack of wildflower seeds to sow in your own garden or alternatively take them to Kings House Gardens in town and sow in designated areas to support our local wildlife.

The THET ZERO Summer Sculpture Trail is a collaboration between members of the Thetford Business Forum and local schools, colleges and nurseries. All on a mission to make Thetford a leader on sustainability in the county and further afield. **Thank you to Emily Field for designing the map, Naked Marketing for designing the logo and leaflet and Rollmark for printing the leaflet.**

THETZERO Summer Sculpture Trail MAP 2024

Visit each of the venues marked on the map to find a sculpture and mark its name against the relevant number listed below. Once you have completed your trail hand it into one of the venues marked as a collection point, on the back of this map, to receive a gift - which keeps the THET ZERO sustainability theme going. (You do not have to complete the trail in one go. You have between 19th July - 4th September to complete).

Write the sculpture's name that you find on the trail

Many local schools, colleges and nurseries have worked with local businesses to build a sculpture using waste materials. THET ZERO Summer School Sculpture Trail raises awareness of environmental concerns and how we can all make a difference to reverse the affect of climate change.
